

OET

Tuition service

Your Trusted Pathway to Educational Success in the UAE

We provide bespoke tuition programmes for all age groups, specialising in curriculum support, comprehensive exam preparation across all exam boards, and expert support for school entrance exams at the world's leading schools.

Company Introduction

At Oxford Elite Tutoring, we provide exceptional, personalised tuition delivered by fully qualified UK teachers, supporting students of all ages. Our bespoke programmes are designed to strengthen academic performance, build confidence, and prepare students for success in high-level assessments. In addition to ongoing curriculum support, we offer specialised preparation for entrance tests to leading private schools in the UK and around the world.

At the heart of OET are James Conduit and Sophie King. James is the former Director of EAL and Year 4 Team Leader at Shrewsbury International School Bangkok Riverside, and Sophie is a former Mathematics lead and Year 5 teacher also at Shrewsbury. Since leaving, they have supported hundreds of students across Thailand, U.A.E and the UK, preparing them for UK boarding schools, international school entrance exams, and ongoing academic success.

OET offers access to hand-picked, fully qualified UK teachers who have extensive experience teaching in some of the best schools in the world. Many previously taught alongside James and Sophie at Shrewsbury Riverside. Their expertise in adapting lessons for each learner ensures rapid progress, high engagement, and targeted support for areas needing development.

Our team works in close partnership with parents, students, and schools to ensure clear communication and consistent progress. Each family begins with a consultation to assess academic needs, learning goals, and school ambitions. From here, we create a personalised OET Learning Plan, match the student with the ideal tutor, and provide detailed feedback after every lesson. Throughout the journey, parents receive ongoing support and guidance to ensure their child is fully prepared for the next step.

Our students have been accepted to some of the best UK boarding schools

Oxford Elite Tutoring has a proven track record of placing students into some of the UK's most prestigious independent and boarding schools, including Wycombe Abbey, Charterhouse School, and other top-tier institutions. Our students consistently stand out in highly competitive admissions processes, not only for their academic ability but for their confidence, communication skills, and readiness to thrive in a demanding school environment. This success is the result of a carefully structured, personalised approach that ensures each student is fully prepared to meet the expectations of elite schools.

Our expert tutors support students through every stage of the admissions journey, from rigorous preparation for ISEB Common Pre-Test and school-specific assessments, to intensive interview coaching designed to build clarity, confidence, and authenticity. We focus on developing critical thinking, problem-solving, and articulate expression—skills that top schools actively look for. Alongside academic preparation, we guide students on how to present themselves effectively, ensuring they approach each stage of the process with confidence and composure.
